IMPORTANT REMARKS

Please use only illustrator file to print packaging.
We need high quality and colorfull printing.

Don't print information on layer "Die cut". Don't print red and/or blue lines.

Please check sizes !
Pick-board hole must be cleared : ready to use
Pick-board hole must be placed strategically in order to have a straight product when hanged in shops.
Make a first sample by yourself and send me (by email) some pictures to approve before production !

CMP007
Lot n° :
Lot number (same as PI number) **must add by yourself before printing.**
You must fill-in by yourself the empty space near barcode, following the text "Lot n°".
Barcode must be scannable easily (size enough big, not hidden by product or packaging).
